

**GLENDALE ELEMENTARY SCHOOL DISTRICT NO. 40**  
**4 YEAR TERM**  
**MARY ANN WILSON**

I am currently a member of the Glendale Elementary School Governing Board seeking reelection in the November 6, 2012 General Election.

I am a teacher in the Cartwright School District, and, therefore, I feel I bring an added perspective to the Board. One of my goals has always been to attract and retain qualified staff. This means being competitive with salaries and benefits. Other goals are keeping class size down and to make sure we are offering quality programs. As I keep an eye on the budget I make sure the money is going into the classrooms and staying close to kids. Campus safety has also been a priority of mine. I stay in touch with parents and administrators to make sure our kids are learning in a safe environment.

As a native of Arizona, I have resided in Glendale for the past 20 years. I graduated from Xavier High School, received a Bachelor's in Music Education from Northern Arizona University, and a Master of Arts in Teaching from Grand Canyon University. I have three children, all of whom attended school in the Glendale Elementary School District, and I now have 5 grandchildren, of which two are now school age and attending school in the Glendale Elementary School District.

I would like to continue being a voice for kids and our community, so I ask that you please consider reelecting me.

Thank you.

Mary Ann Wilson
